911 Ultimate Transformation Challenge

Brought to you by

Dear Friend,

I'd like to start off by saying "Congratulations" for allowing our expert team the opportunity to help you build your absolute best body in as little as 12 weeks while competing for a generous cash prize and to become this year's 911 Ultimate Transformation Challenge Champion!

The Day You Finish Our 12-Week 911 Ultimate Transformation Challenge Will Be One of the Best Days of Your Life!

Our goal is to assist fire fighters, law enforcement officers, troopers, sheriff's departments, and paramedics like you to achieve the best physical shape of your lives. We understand the daily stresses of your job and how important it is for you to be able to perform at your peak capabilities. We know that after completing this Challenge, you will have a new clarity about life, a greater appreciation of your job, and will feel a sense of confidence like you've never felt before. Plus, you will have a new body you and others can be proud of. You will know you can accomplish virtually anything you want—at work and in your personal life!

Please take a few minutes of your valuable time to read and review the Official 911 Ultimate Transformation Competitors packet, so you can completely understand what you need to do to become one of the Champions.

It does not matter if you are male or female, younger or older. Whether you're thin and want to gain a lean, muscular physique or overweight and want to strip off unhealthy bodyfat—no matter what your current condition or who you are—this is your chance to finally build the body you deserve. The winning male and female overall champion will NOT be determined by who has the all-around greatest physique but rather by who is judged to have made the most overall improvements in his or her physique over the 12-week period as well as who can best articulate how it has affected your ability to better do your job and face the tremendous challenges you overcome every day.

The 911 Ultimate Transformation Challenge Team and iSatori are devoted to improving the health and safety of the people who risk their lives to serve our community unconditionally. We wish you the best of luck in this endeavor. We commend you for taking action to improve your health and safety. We will be here with you every step of the way. If you need any help with your nutrition, training, or supplements, we are here for you. We can be reached by phone at 1-866-688-7679 between the hours of 8:00 a.m. and 5:00 p.m. MST, Monday through Friday. You may also email us anytime at info@isatoritech.com.
